

Mark Zuckerberg

Founder of Facebook

(Mental Health 3)

If you lose mental health, take one card from the causer

Tom Anderson

Founder of MySpace

(Mental Health 4)

If you lose mental health, you may take a card from the stack

Jeff Taylor

Founder of monster.com

(Mental Health 4)

No cards left? Take one from the stack

Larry Page

Founder of Google

(Mental Health 4)

When somebody gets fired, you take the cards

Larry Ellison

Founder of Oracle

(Mental Health 4)

May take three instead of two cards from the stack, but has to put one back

Kent Beck

Inventor of Extreme Programming

(Mental Health 4)

Drop two cards and gain mental health

Steve Jobs

Founder of Apple

(Mental Health 4)

Gets a second chance

Steve Ballmer

Chief Executive Officer of Microsoft

(Mental Health 4)

May use bugs as excuses and the other way round

Linus Torvalds

Linux Inventor

(Mental Health 4)

Bugs found can only be deflected with two excuses

Holier than Thou

Found Everywhere

(Mental Health 4)

Sees everyone with -1
prestige

Konrad Zuse

Built first programmable
computer

(Mental Health 3)

Is seen with +1 prestige
by everybody

Bruce Schneier

Security guru

(Mental Health 4)

May report an arbitrary
number of bugs

Terry Weissman

Founder of Bugzilla

(Mental Health 4)
